AWARDS

Please don’t forget to make nominations for UEHA Awards prior to Fall conference!

Awards are made to active UEHA members who serve in the environmental health profession, nominated by their peers. Awards are based on a few prerequisites listed below and the strength of the nomination.

Check out the qualifications and make submissions on the UEHA website.

www.ueha.org

Pickett-Webb Memorial
Awarded to an active member for 12 or more years of outstanding career achievements in environmental health

Reed Roberts Memorial
Awarded to an active member who has served in the environmental health profession for more than 5 years
